

Demolition June 26

Old Jeff To Crumble

By Jack Wood

Some teachers and possibly some students will shed a nostalgic tear June 26 when demolition begins on the old Jefferson High School.

Memories might flood back to those that can remember, of Jeff High, built in 1925 on the rolling hills covered with growing vegetables, among gardens laid out in patches of rich black soil.

The students, past and present, will recall those hallowed halls, the high ceilings in that edifice that will be no more.

The old building, condemned as unsafe following the 1957 earthquake, has been replaced by a new \$850,000 building. It looks a bit out of place beside the old, stucco structure, its gleaming sides rising in stark backdrop over the athletic field.

The new building will house approximately the same amount of students as the old. A feature is that all classrooms are standard size, whereas many classes in the old Jeff High building were held in substandard rooms.

Next year's students will also have the advantage of a remodeled gymnasium, which contains new dressing rooms, shower rooms, and locker rooms. The gym will hold 1600 students.

Some members of the staff are a bit nostalgic about moving, yet many teachers feel the new structure is a bright, well-lighted contrast to the old.

This year's senior class will graduate 240. The first senior class at Jefferson graduated two persons.

Prior to 1922, high school students from Daly City-Colma either went to school in San Francisco or took a rail car to San Mateo.

In April of 1922, after quite a bit of newspaper editorializing on the matter, the people of the Jefferson school district voted to form a high school district, winning by a majority of 450 votes.

A bond election was held Aug. 5, 1922 and a new school was opened at temporary quarters in Jefferson Hall in Colma in 1922.

Subjects included: English, Algebra, Civics, and Vocational Guidance, General Science, Freehand Drawing, Spanish, Commercial Arithmetic, Penmanship, Spelling and Typing. Physical education was taught in regular classes, the boys taking up football, baseball, track and basketball, while the girls played baseball, volleyball and basketball.

In 1923 a mass meeting was held at the city hall for the purpose of holding a discussion (Continued on Page 2)

THE NEW JEFF—situated against the backdrop of Crocker Hills, stands new Jefferson Union High School. The old high school, completed in 1922 and located on the opposite side of the new building, will be demolished, beginning this month. Students will occupy the new building this fall. The school will accommodate 1,600 students. The old building was condemned as unsafe following the severe earthquake of 1957.

Daly City and Bayshore To Fight Senate Bill 1606

Transit Line Proposes 10-Cent Increase

Northgate Transit Company of Daly City announced it will bring a proposed rate increase before the Public Utilities Commission.

The increase, from the present 15 cents to 25 cents, was said to be increased costs since 1953 when the present 15 cent fare was established.

Councilman Frank Pacelli asked whether the proposed rate increase is for improvement of equipment, whether present rates are high enough to meet expansion, how to improve present schedules and plans for the future in new areas.

Edward Frank, city manager, said a survey of transportation by the city is due after July 1, and then these questions will be forthcoming.

Attorney Paul Huff added that Northgate Transit Services present bus transportation to local residents that is not available any other way.

The rate increase, he said, "represents a compromise situation that would not be satisfactory from what angle you look at it."

A Real Gone Fire

The fire call came into the Daly City central station at 4:48 p.m. Monday and immediately alerted the fire department, sending emergency units to the scene of onlookers.

The fire broke out along Alameda, up Knowles avenue and down Mission and began the long, arduous climb up Crocker avenue and into the Southern Hills area.

Then the big equipment roared, and firemen searched the air for tell-tale wisps of smoke, for a raging brush fire in the backyard of a home in the 700 block of Templeton avenue.

But the fire, being a rather tired one, or to say the least, slightly beat, was GONE long before they came. The blaze went down in history as one of the great unlocated.

Pacifica Urges Pay Standards

Pacifica city council last week urged Bay Area cities to get together on setting wages and benefits for city employees. Council voted to send a letter to the Association of Bay Area Governments expressing dissatisfaction with the general methods by which cities set wages and asking that fresh standards be set by the organization.

Before Pacifica councilmen was a recommendation from their personnel advisory board for a five per cent salary increase for all employees and additional 2 1/2 per cent raise for firemen and policemen.

Personnel chairman Durwood Bird, presenting the committee report, said the recommendations were made to bring Pacifica salaries in line with those of other Bay Area cities. He said the committee feared there would be a considerable loss of personnel in fire and police departments unless salaries keep pace. Already two cities have granted sizable increases, he said.

Noting that the salary increases would add \$50,000 to the city budget, councilmen decided to wait for City Manager Karl Baldwin's complete budget report before making any final decision. Baldwin said he expected requests for additional employees, extra equipment and other increases in departmental spending.

Near Disaster at Pacifica Intersection

Daniel Kientz, 45-year-old Redwood City truck driver, drove through the Manor drive intersection in Pacifica last Thursday at an estimated 70 to 75 miles per hour after his brakes on his ten-ton truck failed on top of the steep Edgemoor Freeway.

The veteran driver, who was pulling a fork-lift in addition to carrying his heavy load, managed to miss oncoming cars as he sped down the freeway.

Perjury Charge Against 'Buddy' In Theft Case

A Colma man, who allegedly framed his "partner in crime" in an auto parts theft case, is to stand trial for perjury, according to Daly City police.

Robert George Kling, 28, of 380 Washington street, Colma, was arrested June 6 on perjury charges.

He had testified in court that he did not know George Albert Morse, 28, of 43 Werner street, who was arrested May 2 in Broadmoor for petty theft of auto parts from the Neville Ford lot at 7360 Mission street.

Morse was convicted of petty theft and (joyriding) auto theft. Broadmoor and Daly City police later proved that Kling and Morse had pulled the theft in Kling's car and Kling had escaped prior to Morse's arrest.

The joyriding charge against Morse, an unemployed warehouseman, was dismissed.

Kling, a can company worker, will stand trial for perjury and possibly for theft, police stated.

The two men had become acquainted in 1955 while serving time in a U. S. disciplinary barracks.

And Kling, who had so vehemently denied knowing Morse, was arrested June 6 at Morse's home at 43 Werner street.

Owners of Ye Olde Firehouse tavern at 2159 Junipero Serra are to appear at a hearing in city hall on June 24 to show cause why their dance permit should not be revoked.

Police have lodged complaints against the tavern for serving alcoholic beverages to minors and also a complaint of an after-hours sale.

Owners have accepted a suspension on the minors charge.

Slow Down On Houses Is Urged

Pacifica's Drainage Study Committee has told the City Council it thinks steps should be taken to slow down the rate of construction within the city.

The suggestion was made to the council in the form of a memo and was based on a special motion the committee passed at its May 15 meeting.

As referred to the council, the memo requests attention be given to the matter of "present and planned future construction for the next two years."

In passing the motion, the committee stated it felt that, "Short of stopping construction, they (the council) should enact measures to inhibit the rate of construction until such time as its effect on citywide main stream problems is solved."

At present, the committee is conducting a complete study of Pacifica's drainage problems together with possible solutions. All available data is being analyzed, public meetings were held and field trips conducted.

Measure Called 'Deliberate Attempt' To Thwart Annexation

Daly City officials will go to Sacramento to fight Senate Bill 1606, a so-called "emergency" measure designed to exclude the Cow Palace from the Bayshore City annexation to Daly City.

"A ridiculous bill... not in the interests of the people of Daly City," fumed councilman Edward Dennis.

Bill 1606 was passed by the Senate and sent back to the Assembly last week. The measure by San Francisco Senator Eugene McAteer, would make an annexation try illegal without consent of the Cow Palace board of directors.

On this same bill is also an amendment to make it illegal to annex a housing project without prior consent.

If the bill is passed, then the Cow Palace, and Midway Village, a housing project in Bayshore City, would be excluded from the annexation of some 380 acres of Bayshore City to Daly City.

Mayor Joseph Verducci promised that the city attorney and other city officials would be present next Monday to challenge the bill in Sacramento when it comes to committee.

Verducci anticipates support from 27th District Assemblyman Leo Ryan of South San Francisco in combating the bill.

Daly City councilman Michael DeBernardi said the bill in effect could, if passed, affect every city in the state which has an agricultural agency within its boundaries.

"Obviously," said councilman Pacelli, "Senator McAteer did it deliberately..." (Continued on Page 2)

SOMETHING FOR DAD— Miss Daly City, Claudia Smith (top right), will lead her theme Saturday at the St. Francis Xavier Shopping Center, from 11 a.m. to 5 p.m. She will give a little gift for all.

Dads visiting the center, as part of a "Salute to Dad" Father's Day promotion. She is shown here with queen finalist Karen Schneider (left) and Sharon Schroder with Fred Martin, contest chairman.

Westmoor Girl Chosen New Miss Daly City

Claudia Smith, a part time professional model for the past five years, was chosen last Wednesday night as the new Miss Daly City of 1963-1964.

The statuesque Westmoor High school brunette is 16 and five foot 11 inches tall. She won out over five finalists who competed before 125 people at the South San Francisco Elks Club.

Claudia, daughter of Mr. and Mrs. Chester Smith, 71 Garden Grove, displayed both sophistication and charm along with measurements 36 1/2-25 1/2-37.

The judges gave her the nod over runner-up Judi Ann Homan, a 17-year-old Jefferson High school junior.

Claudia, a finalist last year, will graduate from Westmoor Thursday and announced she will seek a fashion modeling career. Susan Thorne, last year's winner, presented the crown to the new queen. Other finalists were Sharon Schroder, 17, Gloria Morrissey, 18, and Karen Schroder, 20.

The event was sponsored by the Daly City chamber of Commerce with Fred Martin as master of ceremonies.

Claudia will represent the city in the 1963 Fiesta dream

Westlake 11th Birthday Dollar Day Sale Wednesday To Saturday

Dollar Days at Shopping Center

Westlake Shopping Center celebrates its 11th birthday during Westlake Dollar Days, today through Saturday June 15th.

On Saturday 6000 pieces of birthday cake and 6000 cups of coffee will be given away from the big birthday cake booth in the Westlake Mall. Furnishing live music for the party will be concert organist Dick Dissell, the Hootenanny folk singers with Vic Dobyn II, and the Westlake Accordian club players.

The event was sponsored by the Daly City chamber of Commerce with Fred Martin as master of ceremonies.

Westmoor Water Problem

\$35,000 Plug For Big Leak

By DON DOE
Water comes in drops neatly. They FATTEN into UNTIDY squishy puddles that trickle wherever they can.

And the trickle became a current that swelled from 5800 gallons lost per day to a torrent of nearly 13,000 gallons, most of which was disgorged beneath the Westmoor High School cafeteria.

Buonaccorsi and Murray reported to the Jefferson district board at their meeting Monday night that to restore service to the cafeteria will cost

\$35,000. The 35,000 dollar tag is attached to the process of installing a roof line for hot water, abandoning the old, sub-surface line.

The pipes that supplied the cafeteria were capped, bringing the flow down to 2,400 gallons, while additional work has reduced the daily loss to a relatively insignificant 300 gallons a day.

Beyond this top priority project lies further, larger expenditures. Buonaccorsi and Company has explored the main six-inch supply pipe that circumscribes the entire school, finding that the insulation of that pipe had become wet in places to the point of saturation.

Buonaccorsi stated that "the contained master plan which pipe will have to be excavated and the insulating material replaced... to prevent deterioration of the line itself." The engineer estimated that the exposing and rewiring of the pipe would cost \$40,000.

Buonaccorsi reported to the board that this pipe could (Continued on Page 2)

Jeff High Student In Television Debut

Ken Klassen, a Jefferson High School student who lives at 48 Cottonwood Street in Daly City, made his television debut along with twenty-one other Bay Area students at Channel 7's studio today on behalf of the station's third annual "Summer Jobs For Students" drive.

All of the young people video-taped a variety of promotion spots which are designed to urge Bay Area businessmen and householders to hire students during the vacation months on either a full or part-time basis.

The spots will be aired starting Saturday, June 8 and a saturation schedule during

the remaining three weeks in June and will continue during the summer. They will also be offered to the other Bay Area television stations for use, as they were last year.

In their initial airing, the spots will be a part of Channel 7's first "Youth Week," a period of seven days beginning June 8 when the station will call attention to the activities of young people in the Bay Area through a special series of programs.

The students will carry the message that they are willing to work in virtually any type of job, from mowing lawns and cutting crab grass to cleaning out musty basements.

Child Needs Are Cited In Cases of Drop Outs

Dr. Helen Heffernan, chief of the bureau of elementary education, was the speaker at a meeting of teachers and administrators in the Jefferson Elementary School District on Thursday, June 6, at the M. Pauline Brown School in Daly City. Her topic at this meeting, sponsored by the Daly City Association for Childhood Education, was "The Child in the World Today."

"Drop-outs in the high school," said Miss Heffernan, "have their beginnings in the elementary schools."

Miss Heffernan stressed the need for diagnostic teaching in the elementary grades so that each child receives a "special education." Some children need a kind of "compensatory education" before and during

the first years in the primary grades, Miss Heffernan said. Dr. Heffernan, who has just returned from a conference in New York concerned with the national problem of drop-out students, underscored the need for parents and teachers to realize that alertness to new social problems in the world has a counterpart in educational decisions and programs.

She urged all concerned with the education of the young to profit from the example of Rip Van Winkle, who "slept through" a revolution, and so did not profit from its implications.

Also attending this meeting, sponsored by Daly City ACE, were several parents and representatives of local nursery schools. Membership in this or-

ganization is open to all who are concerned with education of children from two to 12 years of age.

SUCCESS STORY

Westlake Times ad obtains more calls than metropolitan morning paper!

Mrs. Melicker of Daly City reports that she had more calls from her ad in the Westlake Times classified section than one she placed in a metropolitan newspaper. The ad, under Household Goods for Sale, sold all the items Mrs. Melicker had advertised.

To get results like this, place your ad in your local home-owned paper, the Westlake Times. Call PL 5-3311 today and ask for Miss Lee.

BATH HOUSE under construction by Division of Parks and Beaches at the newly renovated Thornton Beach. A large parking area was cleared and paved last year. The project will include barbecue pits and picnic area and rest rooms.

Girl Scout Troop 478 Award Dinner

Girl Scout Troop No. 478 finished their current year with an award dinner which was held at Toto's in Daly City on Monday, June 3.

There were thirteen Second Class Badges given to those girls who had earned them. Mrs. Wm. Bradshaw and Mrs. Joseph LaBrazzo, co-leaders of the troop, were given five year pins for their services to Girl Scouting. Mrs. Paul Sylvestre and daughter, Helen, house guests of Mrs. Wm. Grover, leader of the troop, attended the dinner also. The troop presented Mrs. Grover with a china cup and saucer.

After dinner a trip through Chinatown was enjoyed by everyone. With the exception of an outing in July and one in August the troop will not hold meetings until Monday, September 16, in the Vista Grande School multi-use room.

Girls in the troop are Dorothy Barragan, Kathleen Bradshaw, Nine the Buntain, Suzanne Coleman, Jeannine Flores, Gale Ganske, Dianne Grover, Jennifer Golden, Christine Gomez, Colleen Haloran, Judith LaBrazzo, Susan Loveless, Dolly Lucia, Mary Furganan, and Barbara Yap.

Cadet David E. Cox Qualifies on Landing

Marine Aviation Cadet David E. Cox, son of Commander and Mrs. Walter R. Cox of 41 Fairlawn avenue, Westlake, recently qualified for carrier flight operations by making six arrested carrier qualification landings aboard the aircraft carrier USS Lexington in the Gulf of Mexico, near Pensacola, Fla.

He is a student pilot in Training Squadron Five at Sausley Field at Pensacola. Prior to making the landings at sea, flight students are required to qualify on field carrier strips, which simulate, on the ground, the restricted area of a carrier's flight deck.

Upon qualifying for carrier operations, students go on to the advanced stages of aviation training, ultimately leading to their designations as naval aviators.

PFC Paul Vega in Aircraft Wing

Marine Private First Class Paul R. Vega, son of Mr. and Mrs. Paul R. Vega of 25 Acton street, Daly City, is stationed with the Third Marine Aircraft Wing at the El Toro Marine Corps Air Station at Santa Ana, Calif.

Helicopters, transport planes and jet aircraft of the Third Wing provide support for infantrymen of the First Marine Division at nearby Camp Pendleton.

Music Fun Planned At Westlake Center

The public is invited to a full afternoon of music when nationally known organist Dick Dickson presents a Pops concert at the Westlake Music Center on June 15 at 1 p.m.

Dickson will play selections from the Broadway stage, Hollywood motion pictures, and light classical music by well-known composers—all on the Thomas Symphony Organ.

Also, a Hootenanny by Vic Dobyns' group from San Francisco State College and an added feature: the Westlake Accordion Club.

Fuchsia Society Plans for Dinner

The Pacific branch of the American Fuchsia Society will hold a pot-luck dinner for members and their guests on Friday, June 21, at 6:30 p.m. at the Sharp Park Elementary School on Palmetto.

Charles Kennett, speaker for the evening on "Fuchsia Culture," and a well-known hybridizer from Walnut Creek, will have his 1963 fuchsia plants on display. These new introductions, for sale, are available to all.

The public is invited to attend the regular meeting at 8 p.m. following the dinner.

Insurance Dividends Available to Veterans

San Mateo County Veterans' Service Officer Floyd D. Granger today reminded veterans of the Korean Conflict that they have about five months left in which to take advantage of the \$18 million in special insurance dividends to be paid those exchanging "RS" insurance policies to policies bearing the letter "W."

According to Granger, the dividend offer expires September 13, and a large number of these veterans still have not applied.

This applies only to Korean Conflict veterans whose insurance policy number is preceded by the letters "RS." No other government life insurance policy holders are eligible.

To get his dividend, says Granger, the "RS" policyholder must either exchange his "RS" term policy for a "W" term policy at around a third of the cost he is now paying, or convert his "RS" policy to a low-cost "W" permanent plan insurance policy.

In the case of the term insurance, the term cannot be renewed after age 50, but protection can be continued by converting to a low-cost permanent plan insurance policy at any time while the term is in force.

Granger says that if the "RS" policyholder takes either of these steps on or before September 13, 1963, he will receive his special dividend. These dividends average about \$100, depending on the age of the policyholder and the length of time he has held the policy.

Further information can be had by calling at the San Mateo County Veterans' Service Office, (court house), in Redwood City.

Court of Honor Held By Scout Troop 84

An impressive candlelight ceremony marked the opening of the Court of Honor of Boy Scout Troop No. 84, held at the Broadmoor Presbyterian Church on the evening of June 6.

William Sowl, committee chairman, introduced the evening's program with a flag ceremony and the pledge of allegiance to the flag. Committee members, scoutmaster, and assistant scoutmasters were introduced to the gathering.

The Court of Honor was officially opened with candlelight ceremony by Scoutmaster Frank Garretson.

One year pins were presented to Steve Jacobson, Michael Lair and Douglas Uyehata. A two-year pin was presented to Bruce Tracey and three-year pins were presented to Robert Morris, Marshall Miller and Bill Moler.

Assistant Scoutmaster William Moler awarded Second Class badges to Dennis Dumont, Ricky Revetria, Paul

Cymin, George Garcia, Ricky Young, Richard Emery and John Ruebartsch. First Class badges were presented to Marshall Miller, James Tweedie, Russell Gray and Terry Nihil.

Star badges were awarded to James Tweedie, Mickey Nihil, Erad Menary, Bill Moler and Robert Morris by Scoutmaster Garretson.

Assistant Scoutmaster Robert McBride cooperated with Scoutmaster Garretson in the awarding of the Life badge to Steve McBride.

A farewell address was made by Scoutmaster Garretson, who recounted the important highlights of his activities of the past five years while he served as scoutmaster. The troop presented him with a huge cake in his honor.

Pacific Flower Friends Will Meet

The regular monthly meeting of the Pacific Flower Friends Garden Club will be held Wednesday, June 19, at 8 p.m. at the Rockaway Beach Progressive Club building, 343 Hewitt avenue in Pacifica.

Devil's Slide Crash; 1 Hurt

A vacationing salesman from Skokie, Ill., was hurt Monday night when his car crashed into a Devil's Slide embankment near Pacifica.

The victim, Leonard M. Goldberg, 33, told highway patrolman Kay McCarley that when he and his family checked into a Santa Cruz motel, he discovered that he had left a suitcase at their last stop, in Daly City.

He was driving back up Cañillo highway at 11:15 p.m. to get the suitcase, Goldberg said, when he fell asleep at the wheel.

McCarley said the salesman's convertible crashed into the embankment, then spun around in the roadway. Goldberg was taken to Peninsula hospital for treatment of cuts and bruises.

SCOUTS ON DUTY—Three Cub Scouts from Pack 259 will be on duty Saturday at St. Francis Heights Square Shopping Center as part of the "Salute to Dad" display of Scouting skills in the service mail from 1 to 5 p.m. Pic-

Scout Groups Plan "A Salute To Dad"

"A Salute to Dad . . . a Good Scout" will be the theme of the last formal gathering of Daly City area Boy Scouts and Cub Scouts, it was learned today.

Some five scouting groups will gather at St. Francis Square shopping center, Southgate and St. Francis Blvd., this Saturday to display year-long projects in scouting skills, including several in outdoor camping techniques, according to Ernie Casadas, San Mateo County Scouting Executive in charge of the Daly City scouting program.

"We feel this display by the scouts will be a fitting tribute to all the fathers who have worked and helped with scouting this past year," Casadas stated.

"We are also in hopes that it will stimulate an interest in scouting for the boy who has never been exposed to scouting activities," Casadas added.

The following scout units will participate in the event: Scout Troop 259, Scout Master, Frank Swanson, 1839 Lavaline Dr., Colma; Scout Troop 84, Frank J. Garritson, 210 Bell Haven; Cub Pack 259, Cubmaster, Salvatore J. Scaduto, 975 Foothill, Colma; Cub Pack 84, Cubmaster, Joseph

Monks, 65 Perita, Daly City; Cub Pack 182, Cubmaster, Arthur J. Bieghley, 47 Longview Dr., Daly City.

The display is scheduled for 1 p.m. until 5 p.m. Saturday, June 15. St. Francis Square Shopping Center is located in the St. Francis Heights section of Daly City at Southgate and St. Francis Blvd.

Casadas stated that those families interested in further information about scouting should contact the San Mateo Scouting Council, 1300 South Bayshore Blvd., San Mateo.

Pvt. Michael Deal Completes TX Course

FORT GORDON, Ga. — Army Pvt. Michael F. Deal, whose wife Mary lives at 4148 Twenty-fifth st., San Francisco, completed a 15-week radio teletype operation course at The Southeastern Signal School, Fort Gordon, Ga., May 24.

Deal entered the Army in November 1962 and completed basic training at Fort Ord, Calif.

The 22-year-old soldier is the son of Mr. and Mrs. Thomas L. Deal, 443 Eighty-ninth st., Daly City, and is a 1959 graduate of Westmoor High School, Daly City.

Livermore's Rodeo Draws Top Cowboys

The country's top rodeo cowboys, including several national champions, will spark competition at the 43rd annual championship Livermore Rodeo which swings into action June 8 and 9 at Livermore.

With an estimated \$10,000 in total prize and entry fee money up for grabs, top ranking cowboys will compete for points toward national standing in six major rodeo events: saddle bronc, bareback, and bull riding, calf roping, steer wrestling and team roping.

Events begin at 1:30 p.m. both days with cowboy television star Marshal "J" the featured attraction both days.

P. R. Zingrich Serves Aboard USS Wright

Paul R. Zingrich, seaman, USN, son of Mr. and Mrs. Elmer L. Zingrich of 268 Campana avenue, Daly City, is serving aboard the command ship USS Wright, which was commissioned May 11 at the Puget Sound Naval Shipyard at Bremerton, Wash.

The Wright is equipped with world-wide communication capabilities and is a new naval concept and the Navy's newest addition to the fleet. She operates out of Puget Sound as a Pacific Fleet unit.

Opportunity Unlimited in the Swinging 10 Million Teen-Age Market

If you like teen-agers (girls, that is) . . . If you have a sincere desire to operate a business of your own . . . If you have a minimum of \$1,500 cash to invest . . . we will license you to operate your own "Express" teen-ager apparel store in your own community.

If you qualify, we will hand you the key to a beautiful new store, completely stocked with the fastest selling petite (small size) merchandise available anywhere, supplied by a long-established, nationally known manufacturer — the pioneer in the petite field.

Your store will be the only one of its kind in your town

Our first Bay Area store, is exceeding its anticipated volume by one-third and is open for your inspection. Experience in apparel would be helpful but not mandatory, as you will receive on-job training in a company-owned store by qualified personnel at company expense. You will have access to accumulated know-how, extensive research, a proven successful advertising program, in addition to continuing support and assistance in every detail.

Most of your clientele will be teen-ages, college girls and smallish women — so you must have a youthful outlook on life, be congenial and ambitious and ready for much higher than average income in the \$10,000 to \$20,000 annual bracket.

We have a limited number of carefully selected locations now available (one in this area) and are interested in talking to husband-wife teams, mother-daughter teams or other qualified persons immediately. These locations can be ready to participate in the lucrative back-to-school sales that will get your store off to a flying start.

For full details and confidential interview, call Mr. Albert (collect) at YUkon 1-7156, or write about yourself in detail to Room 617, 400 Montgomery Street, San Francisco.

T. Edison PTA Honors Past Members

The Thomas Edison PTA board members honored their past president, Mrs. Robert O'Connor at a luncheon held in the Serra Bowl, Thursday, June 6.

Mrs. Robert Hansen, incoming president for the ensuing term, presented Mrs. O'Connor with the Past President's pin.

Mrs. William Ward was also honored by the group for her outstanding service to the unit this past year.

Mr. Harry Aronson, principal thanked the officers and respective chairman for their support in the Thomas Edison PTA.

Small Cars No Good For Rustling Cattle

These small foreign cars may be good for just about anything, but not for rustling cattle.

Over in Italy, a couple of rustlers stole a cow, stuffed it into one of these small foreign jobs, and drove off into the night.

So far so good. But when it came to getting that cow out, they just couldn't do it.

It finally took several strong policemen much more than an hour to get that great big cow out of that tiny little car.

Clouded Crystal Ball

Back around 1910, the average automobile tire was a troublesome thing. Just about everything went wrong with it, points out the National Automobile Club, and somewhere around 1,000 miles it was apt to fall apart completely.

Probably it was this sad situation pressing on the mind of a writer at this time that led him to look into his crystal ball and report the vision that by 1960 the pavement of streets and roads would be made of something like artificial rubber and that automobile tires would be made of iron.

Thus, the writer probably felt, all tire-type troubles would become a headache for the highway departments and the automobile owner would go merrily on his way.

FARM PRODUCTION

One farm worker can now produce enough for himself and almost 23 others.

It is estimated that the population of California will be close to 22 million in 1970.

Pack 248 Holds Father-Son Campout

Cub Scout Pack 248 held its annual father and son campout at Huddart Park, in Woodside, last weekend, June 1 and 2. Present were 36 dads and 39 cubs. After lunch on Saturday, the fathers were challenged by the sons in a softball game.

The A team was under the direction of Coach Vic Graf, while Stan Bacon directed the B-team fathers in an 8 to 8 tie ball game.

In the afternoon the cub scouts competed in various games, such as "knock the cans down," potato sack races, spoon and potato race and a tug of war. Prizes were awarded to all the boys at the campfire that evening, after a supper prepared and served by the committee, headed by Chairman Sanford A. Marcus.

At the campfire the boys and fathers were entertained by Jack Mihalovich who played his accordion and the group sang many songs. Cubmaster Jim Vick closed the campfire leading the cubs in repeating the Cub Scout Promise.

After breakfast the next morning the group broke camp and headed back home. Fathers who attended were: Lester Candee, Frank Santos, Joe Nore, Leo Stout, Larry Blake, Lou Minkin, Al Belotz, Howard Dunbar, Henry Friedman, Sy Hipschman, Maddy Weinberg, Dick Burgoyne, Bill White, Vic Graf, Tom Ayoub, Irv Blackfield, Leo Faulkner, Clyde Sargent, "Bud" Souza, Jim Vick, Sanford Marcus, Stanley Bacon, Don Banks, James Brittan, Dick Traversy, Harvey Dahlberg, George McLaughlin, Bill Pengra, Jack Mihalovich, Warren Baurer, William Wagner, Tony Nocita, Bob Borghello, Ted Rutledge, Charles Capp and John "Big Brother" Kerekas.

The sons who attended were: Roland and Lester Candee, Steve Santos, Ronald Nore, James Stout, Curtis Blake, Harold Minkin, Bruce Belotz, Scott Dunbar, Bennett Friedman, Ronald Hipschman, Joel Weinberg, Grant

Burgoyne, Kevin White, Raymond Graf, Paul Ayoub, Martin Blackfield, Bruce Faulkner, Greg Sargent, Gary Souza, Stephen Vick, Richard Marcus, David Bacon, Dennis Banks, Paul Gressant, John Brittan, Charles Traversy, Lee Dahlberg, George McLaughlin, John Pengra, Danny Mihalovich, Alan Bauer, Robert Wagner, Steve Nocita, Jeffery Borghello, Steven Kerekas, Keith Rutledge, Ray Capp and Greg Hulin.

The last meeting of the season will be held June 13 at the Fernando Rivera School. The pack meeting will start at 7:30 p.m., and the highlight of the evening will be the showing of the motion pictures taken at the campout.

Tips on How to Greet Door-to-Door Solicitors

Magazine subscription solicitation is big business in San Mateo County. Your better business bureau presents the following questions and answers which may be of assistance in making your decision when solicited:

1. Is it safe to order from door to door magazine salesmen?

Yes, it is safe to order from a door to door solicitor if he presents the proper credentials, is a member of Central Registry and gives you an official numbered receipt. Central Registry is an association of major magazines publishers and distributors organized to maintain ethical practices in the magazine selling field.

2. Is a bond required of

each Central Registry company?

Yes, a \$1,000.00 performance bond is required.

3. How can I check on a soliciting company?

You can check with your Better Business Bureau. The company should be registered with Better Business Bureau and properly licensed in your city.

4. How long does it take for a subscription to start?

Due to processing it sometimes takes as long as 60 days for a subscription to start.

5. Are the boys and girls that sell from door to door local youths?

No, generally the "Cash" crews that travel from town to town and sell door to door are not local youths.

6. Most boys and girls who come to my door selling say that they are in a contest or working for "Points" to win a savings bond or a trip. Is this true?

Yes, these statements are usually true as the company offers prizes or bonuses as sales incentive. What generally is not true is that they are working for a scholarship or training for profession.

7. What is PDS?

PDS means paid during service or paying on the installment plan.

8. How do PDS crews work?

PDS crews work either door to door or by phone from a temporary local office and have a "Closer" come out to close the contract.

9. Is it true if I pay 30-35¢ a week for 2 popular magazines I select, I will get 3 other magazines "Free" for a period of 4-6 years?

Nothing is free. The subscriber pays the full publisher's long term price for all magazines. The only advantage is paying on the installment plan at the rate of \$2.50-\$3.50 a month over a period of about 2 years instead of putting out \$60-\$90 cash in advance. You do not pay weekly.

10. Are there gimmicks in magazine selling?

Yes, magazine selling is highly competitive and full of gimmicks, however legal it may be.

He Doesn't Like Reckless Drivers

If you have the slightest suspicion that you might be apt to drive recklessly, better stay away from Denver in Iowa. There's a man there who just doesn't like reckless drivers.

In fact, reports the National Automobile Club, just a few weeks back he watched while a reckless driver did some dangerous cutting in and caused an accident.

This made our man so mad he grabbed a tire iron, stomped over to the offending driver's car, smashed in the windshield and all the windows, and then finished off the lesson by conking the offending driver right on the head.

Pack 259 News

The sun was warm, the breeze gentle, the pitching was sensational, and the Cubs beat the mothers 12 to 3 in the baseball game, at the annual picnic of Cub Pack 259 at Flood Park on June 2nd. A giant tug-of-war got everyone loosened up for the foot races and sack races that followed.

The fathers got a work out in the three legged race with their sons. Cubs and parents competed in the egg throwing contest.

Cubmaster Scaduto gave out awards as follows: Silver On Wolf: Herbie Henderson; Silver On Bear: Rodger Mattson; Webelos Sleeve Badge: Danny Proctor; Denner Stripes: Randy Bushner, Peter Bullock; Ass't Denner Stripes: Bruce Watts.

A considerable number of service pins were presented to adults for service to the Cub Pack: 1-year pins: Kay Mattson, Virginia O'Brien, Sylvia Impeatrice, Jessie St. Pierre, Yvonne Peters, Bernice Cohen, Lois Sherbert, Bea Meade, Mary Ann Heisenbuttel, Carlos Mattson, Ed Rubenich, John Foss and Carl Mazza. Two-year pins: Millie Esposto, Sal Scaduto, Barbara Kasavan, Maurice Kasavan. Three-year pins: Jean Proctor, Mary Haymaker, Dorothy Orton, Collins Orton.

The winner of the perpetual trophy was announced; Den Three. Congratulations Cubs. Den Three will keep the trophy for one year.

Into the picnic circle, around the council fire, came two Indians, dancing, beating the tom-tom, and calling the Chief and Medicine Man to the council fire.

Medicine Man Bill Cloonan, Scoutmaster of Troop 129, and Chief Bill Proctor, ass't Scoutmaster, held an impressive Indian induction ceremony with four Scouts from their troop assisting.

Tim Orion repeated the Scout laws with the Scouts and was recognized by the Medicine Man and the Chief. He then received his Boy Scout neckerchief from the Senior Patrol leader, Joe Fernandes.

Following this ceremony, Cubmaster Scaduto presented Tim Orion with his graduation certificate and an achievement plaque. Also graduating, but not present was Mark Fontana.

Your Home May Be a Burglar's Next Target

This is the time of the year when burglars and prowlers have easy "pickin'," said Roland A. Petrocelli, Chief of Police, today. Most citizens will soon be going off on week-ends or vacations and virtually abandoning their homes to burglars.

The month of June has been declared by the Daly City Police Department as Burglary Prevention Month, a period during which Chief Petrocelli hopes to make all homeowners more aware of the precautions they may take to frustrate the attempts of would-be burglars this summer. Petrocelli made the following comments:

297 Burglaries Last Year
"The unconcerned and careless attitude of many was largely responsible for the

297 burglaries committed in our City last year. Although most people didn't intentionally invite intruders to ransack their homes, they might just as well have hung up a sign saying, "no one's home, burglars welcome!"

"A stroll around your neighborhood any day will tell you at a glance who's away: their porches will be cluttered with circulars; an accumulation of milk bottles on the stoop; an unkempt lawn; an empty garage with the door open; or a bulging mailbox. Tip-offs that will broadcast "no one's home" to anyone canvassing the neighborhood.

"In the evening, most empty homes can be spotted, too, just look for the dark houses. It's a known fact, light is one of the best deterrents to crime.

yet most homeowners go out for an evening and leave their homes completely dark. Or, they'll go off for a weekend or vacation and leave the same light burning day and night. No light at all, or the same light burning continuously is a good giveaway "no one is at home."

"A simple, but effective, means of having light in your home every evening, is by connecting an automatic timing device to one or two lamps. Such a timer will turn a lamp 'on' early in the morning, then turn it 'off' several hours later. With lights turning on and off during the evening hours it'll give the appearance someone is home and may avert a possible burglary attempt."

For Home Owners
Franscioni for Home Owners
Chief Petrocelli went on to say, homes and apartments account for more than four of every ten burglaries. By observing a few simple precautionary steps, you can reduce the possibility of a burglar selecting your dwelling as his target next time you're away:

- 1—Connect a lamp to an automatic timer to turn lights in the home on and off each evening.
- 2—Close and lock all doors, including porch, basement and garage. Use pin-tumbler cylinder locks on outside entrances and safety latches on the windows.
- 3—Be sure all screens are fastened from the inside.
- 4—Never leave valuables lying around; keep them in a safety deposit box.
- And if you're leaving for a weekend or longer, Chief Petrocelli also suggests:

- 5—Notify your police department when you'll be leaving and how long you expect to be away.
- 6—Cancel all deliveries, such as the milk, laundry, cleaning, etc. Also, be sure to discontinue the newspaper or arrange to have it sent to your vacation address.
- 7—Have a neighbor, or your postoffice hold all mail until you return.
- 8—Arrange with a friend to mow the lawn and sweep your sidewalk once a week. Also, ask him if he'll pick up any circulars or handbills that may be left on your porch.
- 9—Leave your shades and blinds as you normally do; closed blinds keep the sun out, but also make an effective screen for the burglar.
- 10—Never advertise your departure with an item in the

local paper. Give the story about your vacation to the newspapers after you have returned.

There is no such thing as a "burglar proof" home, said Chief Petrocelli. But, he went on to say, there are steps that everyone can take to keep the burglar's activity to a minimum. By following the suggestions listed above, you'll be helping to protect your home whenever you're away.

New AFT Local Formed

Meeting at Westmoor High School, Daly City, on May 29, teachers of Jefferson Union High School District initiated the formation of a new local of American Federation of Teachers.

Guests of the group who spoke briefly and answered questions were Suzanne Greenfield, President of South San Francisco AFT; Maurice Englander, President of California Federation of Teachers; Bob Hall, Editor of "The California Teacher," official publication of AFT; and Dan Jackson, past National AFT Vice-President.

In a subsequent meeting at Jefferson High School on June 6, the local elected officers for the '68-69 school year. President of the new organization is Jim Ballard, Jefferson High School; Vice-President, Frank Pustay, Jefferson High School; Secretary, Selwyn Jones, Westmoor High School; Treasurer, Bob DeSalle, Terra Nova High School; Director of Publicity, Mike Tuzenich, and Jim Torva, both of Jefferson High; and Parliamentarian, Carol Nelson, Terra Nova High.

The primary purpose of the new AFT local, according to President Ballard, is to put more emphasis on the role of the classroom teacher in educational affairs as they affect the classroom. "We believe that, if the necessary changes in education are to come about, the teacher must accept his share of the responsibility for making these changes," he said.

Members of the Thomas Edison Safety Patrol were honored at a special assembly last week. Award of Merit Certificates were presented by Officer Dave Johnstone, Supervising Officer from the Daly City Police Department and Principal Harry Aronson.

Students receiving certificates were: Greg Tenud, Brian Kuester, Steve Schrater, Steve Levin, James White, Cheryl Cobb, Doug Isla, Dave Goldman, Mike Cotic, Mike Marcus, Wendy Sparks, Russell Meier, Douglas Casentini, Sandy Jose, Debbie Jose, Nancy Seager, Nancy Robin, Mary Currier, Pam Harter, JoAnn Fitzsimmons, Clara Colandrea, Steve Long, Gene Taylor, Jim Lawrence, Maria Stamerjohn, Sue Thomas, Alice Posman, Tom Wright, Jerry Welner, Terry Corcoran, Maureen Allen, Gail Bloom, Donna Sordahl, Mariene Biro, Mariene Tenud, Bernita Palson, Lynn Roddy, Mariene Turpin and Larry Yarnon.

Upon arriving at the Far East island, they will be redesignated the Second Battalion, Ninth Regiment.

Shortly after joining the Third Division, the unit will participate in mountain and cold weather training at Mt. Fuji, Japan. They will also spend a two-month training phase as the Seventh Fleet's floating battalion landing team with scheduled visits to Hawaii, Japan, Korea, the British crown colony of Hong Kong and the Philippines.

This unit transfer is part of the transplacement system designed to keep the Okinawa-based division an effective part of the nation's "force-in-readiness."

Walter S. Pickering On Support Carrier

Walter S. Pickering, seaman apprentice, USN, son of Mr. and Mrs. Albert J. Parade of 15 Parkview ave., Daly City, is serving aboard the anti-submarine warfare support aircraft carrier USS Yorktown, a unit currently operating as part of the Seventh Fleet Anti-Submarine Warfare "Hunter-Killer" Group in the South China Sea.

The Task Group's mission as a hunter killer force is to seek out and destroy enemy submarines.

It is the only one of its kind on Seventh Fleet duty and helps maintain peace in the Far East.

The Yorktown is a Pacific Fleet carrier normally operating out of Long Beach, Calif.

Pvt. William Greer On Landing Team

Marine Private First Class William R. Greer, son of Mrs. Atnos Magnani of 47 Woodrow st., Daly City, is serving with the Marine Corps battalion landing team of the U. S. Seventh Fleet in the Far East.

The team is undergoing extensive training and maneuvers while aboard amphibious ships of the Seventh Fleet. It acts as a primary force in readiness in the event of a national emergency.

The landing team is composed of units of the Third Marine Division on Okinawa. Before returning to Camp Schwab, the Marines will visit the Philippines and Hong Kong.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER

Auto-Torium Feminine Driving Consultant

Well, it finally happened. Wendy Wheeler, of all people, got caught in a boiling radiator! Not mine, you understand...

...the car's. I was all alone and not a man in sight to help me in my distress. To tell the truth, I had to do some fast thinking about the right thing to do in a situation like this because the car was smoking and steaming like a dragon.

I kept telling myself that it wasn't a major catastrophe, but the sight of all that smoke didn't reassure me any. It's not good for your engine to lose a lot of water like that... so I pulled well off the road as quickly as I could and tried to calm my nerves.

I recalled that I was supposed to turn off the motor and look under the hood. But what in the world was I supposed to look for?

As soon as I opened the hood I remembered because I got a blast of hot air. My little car was complaining because it was thirsty and it was my job to fill up the radiator. Alas, alas, no water... not a drop to drink anywhere! (I thought about doing a rain dance but decided that my mystic powers weren't potent enough).

On occasion I have been known to carry a mayonnaise jar of water with me when I'm driving just for emergencies like this one... but wouldn't you know it? The day I forgot, I need it desperately.

The only thing to do was to wait until the engine cooled down. So I sat there reading a mystery novel that I had been meaning to finish one of these days.

After 15 minutes, I started old Bessie up and drove for about a mile and stopped again. Another 15 minutes wait and then another mile. It took me a long time, but I finally reached an oasis... I mean a service station... and got a drink of water for my car's radiator. (I also found out "who done it" in that mystery story, but I'm not going to tell you because that wouldn't be cricket, would it?).

If you are the organized type and carry a jug of water, or if there is some place nearby where you can get some, then you don't have to go through this tedious process. But you do need a little courage.

When you see your car boiling over, pull over, turn off the engine, and sit for 15 minutes. Then, put on a heavy glove or wrap a rag around your hand. If you don't have a rag, find something... even if you have to use your best scarf... because you could

THE PAUL FENTON British car agency, located at 7555 Mission street in Daly City, has been purchased by Keith Burgess, formerly associated with British Motor Car Distributors, Ltd., of San Francisco. As did his predecessor, Burgess will continue to handle the complete line of British imported cars as well as a fine line of selected used British cars. Heading the service department will be Gordon Wilson, a long-time service manager and racing driver in the Bay Area. The service department employs a full staff of highly skilled mechanics, specializing in imported cars. The dealership has a complete parts department for imported cars. Donald McFadden will continue to head the sales department and has long been associated with the imported car field on both sides of the Bay and in Europe. The Burgess agency is also the co-owner of a British motor car emporium in Oswestry, Shropshire, England. This garage, merely 175 miles north of London, is owned by Keith's mother, Mrs. May Burgess, and is highly recommended for those who plan a summer tour of the British Isles. Only ten hours from Daly City by jet, train and rail, what could be more convenient?

From A Feminine Viewpoint...

By Mona Baker

The decor was international, setting the scene for the elegant fashions from H. Liebes as a festive crowd attended the YWCA dinner dance held at Westlake Bowl. Equally festive were the gowns of the many localities — chiffons, short cocktail dresses, mink stoles predominated.

With a vacation motif, the fashions were the kind that took the guests jetting to Europe, dancing under the stars at the Royal Hawaiian or camping in the Sierras.

Off to a flying start was the show with the first fashion, a dramatic suede coat with precious mink collar modeled by Nancy Warner. Pet Smith showed a lovely cotton pique traveling suit. Brilliant lemon yellow sheathe was modeled by Ann Johnson. Another fashion color favorite modeled by Dorothy Orlich in smart rayon sheathe.

Most appropriate for a camping trip was the denim coordinates modeled by Marcia McGuirk. A perfect vacation outfit modeled by Ginger Straight quite perky with her red pigtail straw hat.

Glamorous party fashions concluded the fashion show. Certainly a traffic stopper was Florence Schwab in her iridescent peacock blue chiffon. An after-five cocktail dress in unusual jungle print of orange, pink, green modeled by Louise Preto. Peggy Miller was glamorous for the most festive party in a gay balloon print dance dress of silk. Quite lovely was Beverly Gaston's textured cotton of shocking tones of blue and green. An exotic black sheathe topped by lattice work overblouse was worn by Norma Washford. The fashion show concluded with a beautiful full-length white organza modeled by Bonnie Allgower.

Just appointed Area Chairman of the YWCA, San Mateo County Unit for the next year is our community leader this week who has crowded many hours of community service into her busy life.

A resident of Broadmoor since 1956 with two and a half years out when she lived in the Philippines, her activities have been many and varied.

She has been a part-time swimming instructor for the Y, Brownie troop leader for three years, church school teacher at Broadmoor Presbyterian Church, and served as residential chairman for the American Cancer Society. She also has modeled in fashion shows both here and in the Philippines. She told us the Navy wives designed their own clothes there and had them made up in the elegant silks and brocades of the orient.

This summer she will be a counselor at the Girl Scout Camp at Tahoe and also will head a troop next year.

We salute Mary DeWitt our community leader of the week! The DeWitt family, husband, Dean, and daughter, Mary Holt, live at 608 MacArthur.

SOCIAL WHIRL: The decor was girls—beautiful girls in bathing suits, chic models in brilliant colored fashions from H. Liebes and The Fashion as the ninth annual "Miss Daly City" pageant and dinner (sponsored by the Daly City-Colma Chamber of Commerce) was held with many localities in attendance. Highlights of the fashion show narrated by Sarann Daly were a white pique sundress with red strawberries sprinkled over the shirt, a dramatic pink rose print chiffon coat topping a lovely party dress and a yellow silk sheath with silver metallic trim. Models included Rosalind Tognali, Patricia Monahan, Lynette Fischel and Susan Schwoerer.

Calling all teen-age girls! Wondering what to do with your time this summer? Why not knit yourself several new sweaters for school in the fall. Shirley Steigerwald who has taught several successful classes during the past years is planning a tenn-age summer class... Drop her a note at 136 Northgate if you are interested.

Good news for the small fry. "Picture book story hour" begins next week at both the Westlake (June 18) and Mission (June 19) branches of the Daly City library. Hint to moms: be sure your youngster is old enough to stay by himself for half an hour. Also if your child is late and children's librarian Rose Marie Karas has started reading a story, do wait for her to complete the story before entering the room.

NEWS BRIEFS: New officers of Our Lady of Perpetual Help Mother's Club were installed in an impressive candlelight ceremony last night. Don Carlson of the Pacifica Art Guild won a first and second prize in the recent Hillside Art Festival. Many of the members will also be participating in the coming Brisbane Art Festival on June 30.

Mothers interested in enrolling their little tots in the Village Co-operative Nursery School for next fall are invited to telephone Kay Matve at PL 6-8469 for information about the school.

Reminder to community minded women—the first organized meeting of the North Peninsula Circle Florence Crittinton is scheduled for June 12, 10 a.m., at the War Memorial Building.

Between Us Gals:

D.C. Bids Adieu to Retiring Principal

By Bunny Gillespie

As schools in the Jefferson Elementary School District dismiss their students for the summer vacation that starts tomorrow afternoon, one principal of such an institution will probably have tears in her eyes.

And the reason will be peculiar to her only.

She is Mrs. Ethel R. Hahn, the beloved lady known as the principal of Daly City's venerable Woodrow Wilson School for almost 20 years.

Mrs. Hahn will be watching "her" children leave the low stucco building on Miriam street for the last time.

She, as always over the past decade and a half, plus, will see them safely into busses, wave them away on bicycles, watch them round the far corners and see them happily hopping, skipping and jumping as they drift off into the by-ways of Daly City.

And, when they are all out of her jurisdiction, and the din of child-noises fades into stillness, she will probably wipe that tear away with a firm "let's get the next thing done" swipe of the hand, toss her head, and enter the quietness of the school to tidy up her office before leaving the building which has been her ballroom for 18 years.

For Mrs. Hahn is retiring from her administrative and teaching activities—activities which began many years ago in San Francisco public schools.

Born in Denver, Colorado, Mrs. Hahn was educated in California. She is a graduate of Girls' High School in SF and received both her AB and MA degrees from SF State College.

After teaching in our neighboring big city, she associated herself with the JESD, working under superintendents of schools Savage, Crane, Snell, Weibel and Foster. She taught all 6 elementary grades; special studies including history, geography and current events in the 7th and 8th grades; pioneered the first opportunity class and special (M.R.) classes in this district, and lovingly welcomed the first partially-sighted classes in the JESD.

Affiliated with numerous professional associations, Mrs. Hahn was a charter member of the county and local principals association and a member of the governing board of the San Mateo County Teachers Assn. She served as secretary for the Jefferson CTA in 1945-46 and was president of that group in 1946-47. For four terms, totaling 10 years, she has been a representative to the CTA Bay Section.

The CTABS credit union came into existence with her aid and she has served with that group with diligence and enthusiasm as a member of the credit committee, on the board of directors, as secretary for 3 terms and as president for 2 terms.

It must have been some of that diligence and enthusiasm that "rubbed off" on her co-workers and friends recently as this community and its environs bid a formal and affectionate farewell to Mrs. Hahn. A party with decidedly different decor, featuring scenes depicting the honoree's family, vocational and avocational interests, was held the last Friday evening in May.

Hosted jointly by the faculty members of the school and the members of the Woodrow Wilson PTA, the invitation affair was a 7:30 p.m. reception given in the school's multi-purpose room.

Rivaling the pictorial highlights of Mrs. Hahn's many interests were music notes embellished with well-wishes... on the walls, on the huge decorated cakes, coming from the lips of a faculty singing group and in the hands of guests (who were requested to note an "I Remember" instance and deposit them in an over-sized

Victoria for the honoree's later perusal.)

Chaired by Mrs. Varni, who also acted as mistress of ceremonies for the evening, the party brought together almost 150 of the popular educator's friends and relatives.

Mrs. Hahn greeted guests just inside the entrance to the spacious multi-use room. She wore a powder-blue chiffon-over-print sheath and a corsage of white orchids.

Nearby was Mrs. Albert Taylor, the recently-installed president of the Wilson PTA, who had charge of the guest register.

Arrangements of stock and sweet william graced the many individual tables for small groups as well as the arc of longer tables prepared for the honoree and her family.

The refreshment chairman was Muriel Tabuchi, assisted by Pat Cravotto, Shirley Miller, Mary Jane Steele and Helen Mason, who did an excellent job of ladling fruit punch, dispensing goodies and generally presiding over the lengthy tea tables.

The efforts of the gift committee were displayed as Jane Watson presented Mrs. Hahn with an elaborate camera outfit. Working with Miss Watson were Pat Haley and Betty Lukins. Later in the evening John Spearson gifted Mrs. Hahn with an electric cassette, a token of esteem from his cohorts.

Memories of the evening will linger in the mind and heart of Woodrow Wilson's retiring principal... memories of the spirited piano playing by the gracious Muriel Vint as she accompanied the singing school teachers... the collected Hahn family including 3 children and 10 grandchildren... the smiling through the tears loveliness of sisters Lillian Brown and Eleanor Carl... the efficiency of chaperone Varni as she introduced guests and thanked friends... including invitation chairman Corinne Andrus and lyric-writer, Cecelia Schulman and Shirley Wheals... the tribute voiced by Supt. of Schools Dick Foster as he dubbed Mrs. Hahn a lady who cared about children... the serving ladies wearing dainty white net aprons with gold sequin trim... senior WW PTA president Mrs. Rickman renewing acquaintance with a charter General Pershing PTA president Lillian Fletcher, Library Commissioner Maude Hanseman, and Recreation Commissioner Ann Eason... educators Betty Sharp, Esther Caldwell and Marjory Tobias... the Joe Lewkowitizes discussing their 6th grandchild with fellow JESD school board member Tom Noonan... Mary Zipser Lewis joining friends at a distant table... custodian Steve Pasafiumi (just out of the hospital) comparing procedures with Mahuel Silva... Mrs. Iwahashi's sentimental poetic tribute to Mrs. Hahn... good Girl Scout Hilda Heagney, smiling as usual... the honoree's girl-hood chum, Florence Hermisillo... bridge pals Margaret Clark, Ruth Rogers, Willie Harrison, Hester Blaylock and the whole gang sans cards... Dorothy Waldfoel with Bernice Cunningham... Betty Boykin wearing pastels... the table-hopping Ted Weibels, Plansky and Bob Mattsons... and assorted friends of children including artists Eloise Arel-Janes, Betty DeBolt, Pat Stock, Cecile Camera, Irene Utikal, Virginia Bolstad, Donna Fritzel, Elaine Okuda and Marguerite Haley.

MUSIC NOTES and smiling faces abounded at the recent reception given in honor of retiring Woodrow Wilson president, Ethel Hahn. Shown

above are PTA president Mrs. Albert Taylor, chairman of the gala, Miss Mae Varni, and the honoree.

'Knits and Gems' Set for June 23

The fashion-show fever struck the Social Activity Club of the Independent Order of Foresters and that group announced today that it has selected June 23 for such an affair.

The show theme is "Knits and Gems," and styles will be from the current collection of imported Italian knitwear of Perugia Imports. Complementing the fashions will be Sarah Coventry costume jewelry.

"Knits and Gems" will be held at the Red Chimney Restaurant in Stonestown at noon.

Commentator for the fashion event will be Perugia's Ruth Redell. The chairman and co-ordinator is Rosalyn Navarro, with committee members Valerie Berglund, Madelyn Hesse, May Woodward, Bunny Griffin and Joyce Navarro. Connie Reed is in charge of decorations. Models will be from the House of Charm.

Reservations, at \$4, may be placed by phoning Hazel Eag-

leton, PL 5-2324, or Mrs. Navarro, PL 5-0083. The final day for such calls is June 19. The Social Activity Club meets on the first Wednesday evening of each month at 170 Valencia street, S.F. Chairman of the organization is John Fernandez, aided by Charles Kelly.

Proceeds from the "Knits and Gems" show will be used to further the organization's project of purchasing wheel chairs for needy persons.

New Miss Daly City Is Westmoor's Claudia Smith

Red roses and a jeweled crown, symbols of triumph to contestants through the years, were awarded to pretty Claudia Smith Wednesday evening as she was proclaimed Miss Daly City for 1963.

The regal lass was chosen by a panel of five judges at the impressive new Elks Club on Hillside Blvd. in South San Francisco.

Claudia, who has been a part-time professional model for five years, is a member of the graduating class from Westmoor High School. Taller than previous Miss Daly Citys, her other measurements are 36½, 25½, 37. Fond of swimming, she plans a full-time modelling career. Her home is at 71 Garden Grove drive.

The runner-up to 15-year-old Claudia was Judi Ann Holman, 17, of 407 Florence street. The attractive red-haired Judi is a junior at Jefferson High School. An accomplished ice-skater and modern jazz dancer, she has studied ballet for eight years.

Other finalists were Sharon Schroder, 18, of 368 Bellevue avenue, who was graduated from Jefferson when 16 years old; Gloria Morrissey, 18, of 48 Crestline ave., a senior at Westmoor; and Karen Schroder, 20, of 46 Crestview drive, another Westmoor graduate.

Claudia was crowned by Susan Thorne, Miss Daly City of 1962, after the deliberations of five judges, interrogation by master-of-ceremonies Fred L. Martin and the parading of all five finalists before an audience of approximately 150 well-wishers, well-wishers and looker-oners.

Judges, who made their selection on the basis of awarding 80 points for beauty and 10 points each for poise and personality, were Lee Chamberlain of the Hilltop Beauty School; Gale Hett, Miss San Francisco for 1963; Jeannette Parkinson of H. L. L. L.; George Cordellos of George's Beauty Salon and Joseph Motola of Joseph's Photography. Sponsored by the Daly City Colma Chamber of Commerce, the contest was the ninth annual beauty pageant for local charmers. Chairman of the event was Fred Martin, assisted by George Smith and Janet Jackson (nee Watson) who had been Daly City's first "Miss."

Mrs. Botts Ends ALWA Presidency

Mrs. Vincent Crayotte, 801 Newman drive, Winston Manor, has been elected president of the American Legion Women's Auxiliary, Unit No. 1, of San Francisco.

The formal installation will be held at the War Memorial Veterans Building in S. F. on June 20.

Serving with her will be Mrs. George Cota and Mrs. Samuel Lubow, first and second vice-presidents.

Mrs. Crayotte will be installed by Mrs. Cecilia McKinnon, past department president and Mrs. Nathalie Seelens, past president of the 7th District will be chairman of the evening.

Mrs. Dale Botts, of Westlake, is the outgoing president.

'Divorce and You' Talk for B'nai B'rith Women Meet

Skyline Chapter of B'nai B'rith Women will hold its regular meeting Tuesday, at 8 p. m., at the Lake Merced Sports Center on Skyline Blvd.

Walter Winters, San Francisco attorney and author of the book, "Divorce and You" will give a short talk. A question and answer period will follow.

Arrangements for the evening have been made by Mrs. George Erlich, program chairman.

Refreshments will be served. Members and friends are invited.

For transportation, telephone Mrs. Leo Tinkler, OV 1-4970.

As crown-wearer, Claudia received approximately \$1000 in merchandise and prizes, donated by Daly City merchants. Her official duties will include attendance at official civic functions, when requested, and generally enhancing the good name of Daly City.

As runner-up, Judi will keep herself available to replace the newly-chosen Miss Daly City, should circumstances prevent Claudia's participation during the entire ensuing year.

Proceeding the judging was the presentation of a "Royal Evening of Fashion" with styles by H. L. L. L. and The Fashion, narrated by Sarann Daly. Piano accompaniment was by Jim Rian and models were all former Miss Daly City winners or contestants. They were Rosalind Tognoli, Patricia Monahan, Lynette Fischel and Susan Schwoerer.

Officers of the sponsoring Chamber this year are Bud Lysett, president; Dave Friedenberg, vice-president; Herb

Sharpe, vice-president; Jon Rahl, secretary and Wm. Sweney, Jr., treasurer.

Merchants participating in the presentation of royal gifts included H. L. L. L., The Fashion, Westlake Stationery, Interiors by Richter, See's Candy, Westlake Panorama Travel, Alec's, Harrison Realty, Serra Bowl, Dosiger Corp., DC Scavengers, Walgreen Drug, Westlake Merchants Assn., C. Mrs. Sharadin Visits Niece

San Francisco and its surrounding communities lends itself nicely to the interests of tourists and visitors, and one such newswoman who has been enjoying the scenic vistas of the Bay Area is Mrs. Helen Sharadin of Springfield, Illinois.

Mrs. Sharadin is currently a guest in the home of Mr. and Mrs. Thomas House, 479 St. Francis Blvd., Daly City. Here since mid-April, Mrs. Sharadin has been renewing acquaintances with her niece, Mrs. House, and with young Stevie House.

Mrs. Sharadin plans to return to her home later in June.

Westlake Catholic Women at Breakfast

The Westlake Catholic Women of Our Lady of Mercy parish held their ninth installation breakfast at the Olympic Club. Mrs. Patrick Schofield, spiritual director, planned the affair.

Mrs. Frank Koleschava, outgoing president of the group, turned over the gavel to Mrs. Frank Burns, new president for the 1963-64 term.

Other officers installed were Mrs. Schofield, vice president; Mrs. Albert Fambri, first director; Mrs. Robert Wagner, second director; Mrs. Robert Gilmore, third director; Mrs. Hugh McNab, fourth director, and Mrs. Eugene Luttringer, secretary.

Mrs. Dario Bacciole is corresponding secretary; Mrs. Robert Walker, treasurer; Mrs. Jack Rose, publicity director; Mrs. Thomas Calderola, NCCW representative, and Mrs. Elwin Short, historian.

Clark Accepts Court St. Mary's Regent's Gavel

With a feeling of humility, Mrs. Maurice Clark accepted the gavel signifying the high office of Grand Regent of Court St. Mary No. 1155, Catholic Daughters of America, last Thursday evening.

A former leader of Court St. Mary, Mrs. Clark has served two past terms as Grand Regent and has fulfilled duties of various offices and chairmanships throughout 15 years as a member of the Court. She presently serves as District Deputy to Court Salesian of San Francisco and Court Infant of Prague, South San Francisco.

Mrs. Charles Wettstein, installing monitor, also placed fourteen other ladies at their respective stations at the adoration of Mrs. Esther Bernal, the court's district deputy.

Among those attending the ceremonies were the Rev. Matthew P. Sullivan, State Chaplain of the Catholic Daughters of America, who also serves as Chaplain of Ct. St. Mary; Mrs. Fred Wettstein, State Regent, who also is a charter member of Ct. St. Mary; Mrs. Wallace Meade, Archdiocesan chairman of Extension, who also rendered a couple of vocal selections accompanied by Mrs. Ernest Hecht at the piano, both ladies are members of Ct. Golden Gate of San Francisco;

Mrs. Peter Baroni, Archdiocesan chairman of Social Welfare; Mrs. DeWitt Brunson, Archdiocesan chairman of World Missions; Miss Pearl Hughes, Grand Regent of Court Cathedral, and Mrs. Donald Heissenbuttel, Grand Regent of Ct. Salesian along with members from various courts.

The outgoing Grand Regent, Flying Fish

The California Department of Fish and Game certainly does what it can to see that you're not disappointed if you make a long hike or horseback ride into some remote mountain lake to do your fishing. During 1962, men of the department loaded close to five million fingerling trout and salmon into tanks, the tanks into planes, and then sailed off into the sky to drop these fingerlings into close to 800 remote mountain lakes.

A delicious repast was served by Mrs. Carl Rolland, assisted by Mrs. Ello Ciardella and Mrs. Ethlyn Robinson at the conclusion of the evening.

William L. Dawson

In Air Tech Unit

William L. Dawson, airman, USN, son of Mr. and Mrs. John L. Dawson of 121 Junita ave., Pacifica, serving at the Naval Air Technical Training Unit, Jacksonville, Fla., was advanced to the present rate April 16 as a result of passing his recent airman examination.

Jeff Graduate Baccalaureate

To Be Held Thursday Morning

The Baccalaureate Mass for Daly City's Jefferson Union High School graduating class of 1963 will take place at 9 a. m. tomorrow at Our Lady of Perpetual Help Church, 60 Wellington ave., Daly City. Parents and friends are extended an invitation to attend.

Breakfast for the graduates and invited guests, sponsored by Ct. St. Mary, No. 1155, Catholic Daughters of America, will follow immediately at the parish hall.

Preparations for the morning are being handled by Mrs. Harvey Mumford, chairman. Mrs. William Gonzales will be assisted in the kitchen by the Misses. John Vinal, Edward Nolan, Tony Ricci, and Juliette Montalvo.

Among members serving the breakfast will be the Misses. James O'Reilly, Charles Wettstein, Atello Minoletti, of San Francisco; Misses. Edward Denning, James Gallagher, Laurence DeFanti, Joseph Lewkowitz, Mary Elch, and Mercedes Laureano of Daly City.

Also assisting with setup tonight are the Misses. DeWitt Brunson of San Bruno, Arthur Dikans of Westlake, George Ryan, Laurence DeFanti, James Gallagher, Esther Day, Rose Lutz, Daly City, and Miss Elise Bauer of South San Francisco, who is also doing up scrolls for the graduates, and Mrs. Carl Rolland is doing the cards.

Law Graduate

Anthony Delbert Coen, 112 Westmont drive, Daly City, will be among 24 graduating students from the Law School of Lincoln University at commencement exercises held at Calvary Presbyterian Church, Fillmore and Jackson streets, San Francisco, June 16.

Vacation School at Broadmoor Pres.

Broadmoor Presbyterian Church's annual Vacation Church School will be held for two-week period beginning next Monday morning, June 17th through Friday, June 28th. Registration begins at 9:00 a.m., with week-day classes from 9:30 to 11:30 a.m.

Coordinating the registration and the first week's activities will be Mrs. Pat Mattson, followed in the second week by Mrs. Margie Tweedie. There are classes from Nursery age through 6th grade Juniors, with an extension of the Sunday School Bible study courses.

A group of 10 high-schoolers from the United Presbyterian Youth High School Fellowship of the church will assist the staff of teachers with recreation and refreshments for the children.

Lead teachers for the school departments are: Nursery—Mrs. Joan Anderson; Kindergarten—Mrs. Susan Carr; Primary—Mrs. Helen Henry; and Juniors—Mrs. Nancy Voss. Each teacher will have a staff of three adult assistants.

A registration charge of \$1.00 for the two-weeks will be made, to cover cost of materials and refreshments. While the school is a function of the Broadmoor Presbyterian Church Department of Christian Education, an invitation is extended to non-member families in Daly City and Colma to enroll their children in the school.

The Reverend Herbert C.

Tweedie, pastor of the 87th Street Church, reminded his parishioners that beginning next Sunday, June 16th, there will be a single Sunday morning worship service, from 10 to 11 a.m., this Summer Schedule continuing until the middle of September. Sunday School for all ages will run concurrent to the worship. Mr. Tweedie will present a special Father's Day message at both sermons this Sunday.

Lutheran Church Holds Convention

John Brooks and the Rev. Herbert Schroeder of Bethel Lutheran Church, 2525 Alemany boulevard, will attend the 49th convention of the California and Nevada district of the Lutheran Church-Missouri Synod, which will be held in Oakland from June 16 to June 19.

The convention opens with a communion service on Sunday, June 16, at 7 p.m. in the 2,000-seat Oakland Auditorium Theatre.

The service, in the nature of a Lutheran rally, will be attended by delegates, pastors and parochial school teachers, as well as Lutherans of the greater Bay area.

The speaker for the convention will be the Rev. Roland Wiederaenders of St. Louis, first vice president of the Lutheran Church-Missouri Synod.

Married Couples

Retreats Planned

Two married couple retreats will be held at Vallombrosa Retreat House, San Mateo, from July 19 to 21. Reservations can be made by Mr. and Mrs. Dario Giannarelli, DE 3-6837 and Mr. and Mrs. Robert McKeever, SK 1-6674.

A retreat is also planned for July 26 to 28 sponsored by Daly City Serra Chapter. Reservations by Mr. and Mrs. Joseph Monk, PL 5-4081, or Mr. and Mrs. D. Desjardins, JU 5-2366.

Teen, Parent Talk

At Westlake Lutheran

Youth is the area of special attention during the month of June for the American Lutheran Church Women. So what could be more appropriate than the panel discussion presented by the young people of Westlake Lutheran on the subject "Troubled Teens and Perplexed Parents."

Following the regular Sunday morning worship on June 8, the congregation was invited to remain for the Stand-Up Luncheon and the discussion which followed.

There will be no regular meeting in July. Instead the women and their families will get together for a picnic. Meetings will be resumed in August with Bible Study at the church.

SPORTS

NPL Baseball Code of Ethics

1. Upon arriving at the home school's diamond, the visiting coach will be greeted by the home school's coach and presented with an official game ball to be used by the visiting team's pitcher for purposes of warming up.
2. No "personalized" bench jockeying by either team involved in the game to be played will be tolerated. This condition is to be controlled by and will be the responsibility of the respective coaches.
3. The throwing of batting helmets or bats in a defiant manner by players of membered teams will be immediately countered by the responsible coaches by the instant benching of the offender.
4. Under no circumstances will a player who deliberately does bodily harm to another player be allowed to continue playing in an organized game. The correcting of such action will be the responsibility of his immediate coach.
5. At no time will a member of any team use profanity, either on the playing field or in the dugouts.
6. All coaches will attempt to have all players stay within the confines of the dugout at all times other when they are on the playing field or in the coaches boxes.
7. All players will carry baseball caps folded in their back pocket and will hand their batting helmets to the base coaches upon reaching a base in order to speed up the game.
8. All players of both competing teams will immediately, following the game on the diamond, shake hands and pass amenities with at least one member of the opposing team.
9. A member or members of teams attending a league game as spectators under no circumstances will resort to "bench-riding" or "jockeying" of any member or members of either team actively playing.
10. Whenever doubt exists, base umpires will make an official judgment, whenever possible, as to whether a batter is to be awarded a base hit or an error on the play.
11. At no time will a team member of any membered team make any negative comment publicly in direct reference to any coach of a said membered team. The responsibility for enforcing this rule will be the coach of the team of which the offender or offenders is a member.
12. All regularly scheduled games will be played on the scheduled date without exception. Rain-outs may, however, be played on a date mutually agreed upon by the teams involved.

Coaches Formulate Code

12 Rules are Designed For Smoother League

The baseball coaches of the North Peninsula League formulated a "Code of Ethics" at their Memorial Day meeting in an effort to "eliminate frictions," it was announced last week.

Westmoor's Rod Losberger, who instigated the code's formulation, stated that the code is a "formalized set of already accepted standards."

Pertaining to all teams in the league, the rules were designed to reverse the trend, evidenced throughout the 1962 season, toward increased animosity between NPL teams.

The lack of cooperation between coaches, the attitude of players toward other teams, and an increasing sense of "districtness" within the schools of Daly City, South San Francisco, and Pacifica were the main reasons cited as prompting the formalizing of a code of ethics.

Rod Losberger commented that all NPL coaches were agreed on the necessity of such a code, and all made contributions to it.

Bob Brian, mentor of the undefeated South City Warriors endorsed the new code heavily, stating that: "While winning is, of course, of great importance, the players should exercise good sportsmanship in their games. Between the schools of each city there is intense rivalry, but it is friendly—it should be as such throughout the league." The

new code, Brian added, "should pave the way for a more wholesome environment."

Jefferson coach Steve Mazzera commented that "there is a danger of being carried away with the winning, itself, while not paying sufficient attention to what they're doing. We are trying to create a learning situation—but to teach or learn in a hostile environment is impossible. The rules should contribute to a better environment."

Mazzera emphasized that the code was in no way an attempt to get away from competition. Both Losberger and Brian also stressed that it was only the hostility that they were attempting to eliminate. Inter-team rivalry, they agreed, is one of the most important facets of high school baseball.

Mazzera concluded with the statement that the new code is also applicable to the coaches—"our conduct should also be in a mature manner."

SOUTH CITY'S speed merchant Jim McClennan, part-owner of the Champion Speed Shop piloted Tommy Ivo's famous four Buick engined dragster to 183 mph quarter-mile clocking at the Cotati drag strip.

PAL Giants Tie for First

Thanks to the OLM Dons, the PAL Giants moved into a tie for first place this week with the Holy Angels Lions. Paul Gieschinski played the hero for the Dons in their 5-1 upset of the league leading Holy Angels Lions. Gieschinski whiffed 12 of the mighty Lion batters and hit 2 homers to help win his own ball game in 2 times at the plate. The Lions took 5 hits off Gieschinski but the well coached Dons held them to 1 run.

Pinelli, PAL Giant moundsman, had a no-hitter going against the OLPH Golds until the bottom of the 6th. Mike Guglielmoni got his range and blasted a 3 run homer to spoil his shutout. Pinelli went home with a win to compensate. Manis, Shotts and Pinelli had all accounted for RBIs before Guglielmoni's big blow. The Giants took them 7-3 as Pinelli led 9 and walked 2.

George Harrison Realty surprised Misracks with a 4-2 win. Gar Tompkins allowed only 2 Misracks hits and walked 5. Bobby Kunderman went 3 for 3, 2 singles and 1 homerun. Jim Schiffman and Bobby Locke hit safeties for RBIs. Coach Randy Hix raved about

B. Franklin Tops Colma, Parkway

Benjamin Franklin won the first 8th grade invitational track meet last Thursday at Westmoor High School. The schools accepting invitations were: Engvall (San Bruno); Parkway (SSF); Colma.

The scoring went as follows: B.F. (57); P (49); E (19 1/2); C (14 1/2).

Individual winners were: 50 yd. Wuerthner (BF) 6.9; 75 yd. Siriani (BF) 9.3; 100 yd. Gagliani (SSF) 12.2; 300 yd. run Schmidt (E) 37.6; 600 yd. Torlakson (BF) 1:30.7; 440 relay P (Houston, Rogge, Garcia, Gagliani) 52; 880 relay BF (Siriani, Rosenberg, Sullivan, Torlakson) 1:50.9; High Jump P (Gagliani) 58"; Broad Jump BF (Siriani) 16'11".

PAL Dodgers Hold Lead In Intermediate League

Riding in the top spot again this week are the PAL Dodgers after suffering their first defeat. In second place, a 3 way tie promises to give the Dodgers several bumps before the league lies down and dies. Ben Franklin Press, Holy Angels Shamrocks and the rejuvenated Bender Roofers are making their moves. This week Ben Franklin Press took a close one from BYA Relish Bakery 8-7. Both teams collected 9 hits each but 3 Bakery errors made the difference. That plus Dennis Dolan's relief job on the mound. He faced 17 men in the last 5 innings fanning 7. For BYA Payer hit 2 for 2, Yerby 2 and Ross 2 for 3, Anobile 2 for 4.

BYA Bender Roofers met the PAL Dodgers with a big bang as usual. Whenever Sam Manninaof BYA and Rock Kubowitz of PAL have met over the past 3 years, a great game has resulted. In the last 3 years, 7 out of 8 games have been won by one run. Rock winning 4 and Sam 4. This year it was Sam Mannina's turn with a 7-6 win to give the Dodgers their first loss of the season. In this game, Russ Runge, PAL pitcher, hit 3 for 3 (2 singles and one homerun and 1BB and scored twice). For Bender, Wayne Steiner hit 3 for 4 (2 doubles and a single, 2 RBIs and scored twice). Rib Himm hit 3 for 3, 1 BB collected 3 RBIs and a d scored once. Steve Bach, BYA chucker, led 12 and left 12 runners stranded on base. In the last of the 7th with the bases loaded and no outs, Bach fanned 2 and on the last play, Howe of BYA hit a liner to center that "one handed" Steiner caught on the dead run to end the ball game.

The Roofers made 4 in a row by downing Ben Franklin Press with a fast starter. Blasting out 4 runs in the 1st inning and 6 in the second, the Roofers took a lead and held it for the rest of the game. After the second inning, both clubs could only score 1 run each. Rosen gave up 9 scattered hits and allowed the Press no walks. John Conwell gave BYA a real thrill with 4 for 4 (a double and 3 singles) as well as stealing 7 bases and starting at 3rd. Bob Himm also gave a good account of himself with 3 for 4 (2 singles and a triple and 4 RBIs). Final

Summer Rec Set At B. Franklin—Garden Village

With summer only a few days away, plans are finished in preparing the Benjamin Franklin-Garden Village facilities for another fun-filled and interesting summer vacation. Some activities provided will be: Archery, folk dancing, tumbling, tennis instruction, tournaments, softball leagues, arts and crafts, pre-school program, music, movies, drama and story-telling, plus many others. Weekly outings are also planned in conjunction with Daly City Recreation's program.

The hours the playground will be supervised will be: Garden Village — Monday thru Friday, 9:30-4:30; Benjamin Franklin — Monday thru Friday, 1:00-4:30.

Any questions arising regarding the summer program may be answered by calling Bill Mendosa, Benjamin Franklin School, WY 2-1000, ext. 301. The playground will open officially Monday, June 17 at 12 noon.

B. Franklin Wins 1st Invitational

On Tuesday last week, Benjamin Franklin hosted track teams from Parkway (SSF) and Colma schools and were successful in ending the track season on a victorious note. The final team scores were:

BF-58 1/2; P-46; and C-32 1/2.

Individual winners were: 300 yd. run—Munday (BF) 40; 600 yd. run—Easley (BF) 1:34.5; 50 yd.—DeRoo (BF) 6.8; 75 yd.—Yerby (BF) 9.3; 100 yd.—Cottrell (P) 11.7; 300 yd. relay—P (38.6); 600 yd. relay BF (Musselwhite, Danielson, Weiden, DeRoo) 1:18.9; Broad Jump—Cottrell (P) 16' 2 1/2"; High Jump—Grady (P) 46".

Luceti Loses In Semifinals

ST. ANDREWS, SCOTLAND—Dr. Donald Luceti of 66 San Pedro Road, Daly City, lost in the semi-final round of the British Amateur golf championship last week, after defeating Walker Cup winner Martin Christmas in the quarter final.

The Walker Cup goes to the winner of the match between the top eight amateurs from America and from Britain. A dentist now serving as Captain in the Medical Corps, he received a leave of absence from his station in Germany to become one of the 256 entries in the annual tourney.

Dr. Luceti lost on the famous St. Andrews course in a drenching downpour that threatened to rain out the round. The tourney judges decided to allow the match to continue, however, and the Daly City dentist went down, 3-2 to be the last American in tournament.

PROTECT YOUR FAMILY AGAINST POLIO

Polio incidence is rapidly declining each year. Medical researchers state that polio would hardly be a serious problem if more people would protect themselves against it. Right now is a good time.

The peak polio danger is usually during July and August. It is sound insurance for better health to phone your physician for an appointment to be inoculated against this crippling disease. Don't take chances.

YOUR DOCTOR CAN PHONE US when you need a medicine. We deliver promptly to Daly City, Westlake and St. Francis Heights without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

It's SPARE TIME

at Westlake Bowl

By Jim Grealish

Gray Nell now claims six as his magic number since he led the Westlake Classic with a big 666 series. Starting with a 158 game, he jumped to a tremendous 278 second game and closed with a 230 effort. Gary now proudly displays his belt buckle indicative of membership in the Westlake 275 Club.

As the Tuesday morning Trio League started off the summer season, Jo Omani took top honors in both departments with a 175 game and 451 series.

Although he fell fourteen pins short of 600 Club membership, M. D. Johnston took top honors in the Westlake Knolls League with a 214 game and 586 series.

Del Muskin missed Monday's 3-6-8 Afternoon Singles but she had a good reason—a new son, Paul Andrew, weight six pounds nine ounces.

Far from a sleeper in the Sleepers Handicap League was George Camubell as he shot a big 223 game and 561 series to lead the league for the week.

Wally Jones and Mox King led the pin parade in the Ball and Chain Mixed Fives as Wally rolled 175 and 220 while Mox shot a 220 game and 557 series.

Bowlers with averages of 195 and under will have the opportunity to take home a pot full of cash on July 6 at the first Midnight Sweeper gets underway. With first prize \$400, second prize \$200, then \$150 and \$100, there will be a prize for every eight bowlers.

Since this sixteen game competition is limited to 64 bowlers, advance registration is necessary.

John Baznalla returned to action with a tremendous 920 four game series in the Peterson Point Trio League on games of 194-248-256-222.

In the Kings and Queens 850 Scratch League, Lyle Dickerson and Ed Morris led the men with 229-459 and 225-620 while Virginia Lund topped the ladies with 212-589.

Ruth Noll led both men and women in the Telco Mixed Fours with 602 on a high game of 211 while Ernie Pinto led the men with 223 and 550.

Tuesday was Ladies' Day at Westlake as Carol Anguillo set a league record for high game with 276 and thus became the first female member of the Westlake 275 Club.

Another record was broken in the Ladies' 850 Invitational as the State Sheet Metal team posted a 2104 team series.

High individual series for the evening went to Bonnie Birkett with 827 on a high game of 223.

Opening night of the Fifth Annual Daly City Police Athletic League Benefit Bowling Tournament is set for June 22 with a "Bowling-Dance-Butt" set to kick-off at 7 p.m.

Last year's opening squad of 253 bowlers set a world record that Chief Petrochli hopes will be broken this year with the maximum of 260 bowlers competing at one time. Again Pat Garcia and Al Stagnaro will serve as Co-chairmen of

thless drive to raise funds for the youth of Daly City.

Although Jerry Schreier bowled a big 244 game in the 815 Scratch League, Hersch Laughlin took home top honors for the week with a 609 series on games of 172-211 and 226. The Lake Merced Nursery team set a league record for team game with 989.

Stag Tourney Draws Over 100 Golfers

Approximately 100 men will be taking part in the annual Catholic Men's Club Golf Stag being held next Saturday, June 15, 1963 starting at 9 a.m. at the Sonoma Golf Country Club. This annual affair will be followed by a steak dinner at the Sonoma clubhouse. The golfers' repast will, in turn, be followed by the awarding of sundry prizes.

The committee for the Golf Stag is headed by Al Swadlow, who will be assisted by the following: John Champagne, as starter; Bill Upp, in charge of all prizes; Bob Fopplano, as scorer; and Bob Martini, in charge of the dinner and refreshments.

Midget League Action Is Fast

The PAL Braves and the Bender Roofing Cats opened the week's play with a banged up ball game. See-sawing back and forth as pitchers Nick Gentile of the Braves and Joel Carrara of the Cats cut off opposition rally, the game took an extra inning to be resolved. The big break came in the 7th when Paul Romer blasted a hard hit through the first baseman scoring Walorinta for a 2-1 win. Wayne Walorinta hit 3 for 4 to help out the Braves and Smoky Morton cut off Bender rally at 3rd with a great throw from left field. Bell performed the same feat for the Cats with a tremendous catch of a line drive.

The Holy Angels Colts locked horns with PAL Yankees in their second meeting and this time the Colts came away winners 8-7. After 3 innings the Colts had an 8-1 lead but the stubborn Yankees kept poking away until the last inning. With the tieing run on 3rd and 2 out, Colt shortstop Ciardella made an easy handle and tossed out Gerry Garibaldi at first to win the tight ballgame. Golobic hit 2 for 4 for the Colts and Lessor did the same for the Yankees.

The Yankees dropped another close one to the Bender Roofing Cats. Joel Carrara shut them out in a 2-0 ballgame. Carrara fanned 12 Yankee batters. Dave Bell was the big man with the bat for the Cats with 2 for 3 and scoring both runs. Gerry Garibaldi played a great game for the Yankees at 3rd. His defensive play stopped several Cat runs from scoring.

Nick Gentile and the PAL Braves turned the trick this week but the league leading PAL Cardinals took their best then turned them back. The game went 9 innings with Steve Kirby king 12 Braves and giving up 2 hits. Nick Gentile struck out 9 Bird Batters and gave up 6 hits. Gordy Contreras ended the ball game when he scored from 1st on an infield roller by Barry Gervertz in the last of the 9th. Final score Cardinals 1, the Braves 0, a shutout for Kirby.

OLM Leopards took a pair this week winning over the PAL Indians first by a score of 4-1. Little Steve Gilmore gave up 5 hits for the Indians while Bias gave up 7 to the Leopards. Gilmore hit 2 for 3 while teammates Churchwell and Phillips hit 2 for 2.

Their second win was a close one from the Holy Angels Colts 5-4. Hampton was winning pitcher for the Leopards giving up 5 hits. Del Sarto gave up 7 hits to the Leopards. Tagnoli hit 2 for 3 for the Colts.

Kennedy Attends Fire Chiefs Conve

Daly City's fire chief, Elmer Kennedy, attended the California Fire Chiefs annual convention held May 23-24, at Bajan and subsequently all the lectures and workshop sessions connected with the convention.

The subject included: Utilization of manpower in the fire department; Standard Grading schedule; Intra-Departmental communications, and the fire chief's place in planning.

Chief Kennedy is chairman of the California Fire Chiefs' committee on fireworks, which has been charged with the enactment of legislation to prohibit fireworks in the state of California.

Members of this committee include: Chief R. Bassett of Los Altos; Chief R. Briscoe of Newport Beach; Chief W. Miller of Los Angeles; and Chief L. Stevenson of Stockton.

Atomic Energy Grant For San Mateo College

The facilities and equipment will be available to programs conducted in both the day and evening college sessions, for regular students as well as currently employed engineering graduates whose educational background did not include the aspects of radioactivity. Evening classes are to be designed especially for technicians and engineers whose jobs require that they understand the hazards of radioactivity and the phenomena involved in measurement of radioactive elements. The College has a physics laboratory designed for use in the technician training program, and this facility will be used for the radioactivity lab.

Dr. Wiens emphasized the safety factor of the program,

stating "None of the radioactive that are required in the program are in any way hazardous to the student or to anyone else in the area. Not one of the qualities to be used even requires a license from the Atomic Energy Commission."

Locke Gets Award

Neil T. Locke, son of Mr. and Mrs. John T. Locke of 64 Eastgate Drive in Daly City was awarded a four-year university scholarship by the University of San Francisco. The scholarships went to 105 incoming freshmen from eight states.

Always look back before backing, advises the National Automobile Club.

'Your Man in Sacramento'

By LEO RYAN

The purpose of this column is simply to acquaint those who are interested in the Sacramento scene with state politics and the legislative process. Every effort will be made to keep it factual when facts are presented and where there are judgments, opinions or conclusions, they will be clearly labeled as such. In this way, I hope to shed a small ray of light on the least-known area of our American political system.

On a strictly local matter to begin with, AB 1439 (Ryan) has now gone through both houses and awaits the governor's signature. I expect that it will be signed some time this week. This is the so-called Flood Control Bill.

The measure is significant for all of San Mateo County because it is assumed that the county now has a workable law which will allow the board of supervisors to create Flood Control districts, which will eliminate much of the heavy damage which is caused every winter by heavy rains. The first project is planned for Colma Creek and should save the cities and residents in that basin a great deal of money and trouble over a period of years.

Another bill of much interest to all is SB 344 (Collier), usually referred to as the Gas Tax Bill. Presently, this bill has passed the senate and the policy committee of the assembly.

It is due to pass the assembly Ways and Means Committee this week, and will probably be up for a final vote this week. I am certain this measure will pass, and I have supported it.

This bill will raise the tax on gasoline one cent per gallon. Basically, the money raised will be returned to the cities on a pro-rated basis. In most cases, the amount of money coming from the state for use on major streets will be almost doubled. This will enable the cities to catch up on the maintenance and repair of streets that are beginning to deteriorate seriously. For city government, this is probably the most significant legislation of the session, and if one considers the effect of this bill, together with the county road bonds (which have not been voted on as this is written) there is room for considerable optimism as we look at the almost perpetual problem which communities have faced in the last ten years. Add

to all this that El Camino Real will be widened to six lanes clear from Daly City by the time all the construction is finished, and we should have a healthy transportation system in San Mateo County instead of hardened arteries.

What about education? This is such a broad topic that I will devote an entire column to it at a later time.

Brief Notes: There are six bills now going through the mill which will change the whole state policy regarding annexation of unincorporated land. I have supported them after concluding that much of the difficulty in the last few years regarding annexation in northern San Mateo County would not have occurred had these bills passed earlier.

Basically, the bills give the cities and county the power to initiate and control annexation policy. If you are interested, the bills are: AB 1662, 2015, 2017, 2018, 2508 and SB 861.

Westlake Man Receives Award

Fifteen years of highway driving, with an established record of 1,000,000 miles of safe driving for this period, have brought a Safety Award Certificate, new safe-driver uniform insignia and a ruby

ring to Greyhound Driver William A. Geers of 241 Avalon Dr., Westlake Hills. In recognition of this achievement, the awards were authorized by Stan A. Osaman, Director of Safety for Greyhound Lines 11-state western division.

"Geers joins a long and growing list of Greyhound drivers whose safe driving records cover from five to twenty-five years, and even longer," points out Osaman.

One sentence notes: Expect much tougher teacher requirements from now on: The State Board of Education and the legislature are both moving in that direction, and will do so for several years.

Long Beach tax windfall revenues. In the next decade, the oil field discovered there is expected to yield more than one billion dollars in royalties to the state. This could mean a balanced budget as opposed to a general raise in taxes as time goes on.

Lively Arts Show Held at W. Wilson

The "Lively Arts" show under the direction of Music Coordinator Muriel Vint and Director Pat Hackett was held at Woodrow Wilson School.

Students from Fernando Rivera and Westlake Schools Glee Club sang some of their many numbers.

Mrs. Schulman's First Grade class played the Rhythm Band; Mrs. Stock's Second Grade did Choral Speaking; Mrs. DeBolt's Third Grade sang two selections; Mrs. Haley's A. M. Kindergarten did "Jump, Jump, Jo"; Mrs. Frizell's Third Grade class did "Sea Life"; Mrs. Arrellanes' First Grade class did the "Minuet"; Mrs. Camara's Third Grade class did a dance and interpretation of "Garden Varieties."

A bouquet of red roses was presented to Mrs. Ethel Hahn by students from Fernando Rivera School. This was their way of saying "thanks" for all the many things she has done for them, to a very gracious lady.

Principal of Fernando Rivera, Mrs. Dan Dawson and PTA President Mrs. Leslie Moreno were guests of Mrs. Hahn.

All stayed to enjoy refreshments served by Woodrow Wilson PTA President, Mrs. Albert Taylor and officers.

GI loans administered by the Veterans Administration have financed one of every five homes built in the United States since the end of World War II.

Jon C. Alexander
Completes Basic
Jon C. Alexander, son of Mr. and Mrs. C. F. Alexander of 660 McArthur dr., Colma, recently completed basic training at the Naval Training Center, San Diego, Calif., in graduation ceremonies conducted May 24.

Some 3,000 men took part in the weekly Recruit Brigade Review climaxed the nine weeks basic training period. The recruit training program covers naval history and tradition, customs and etiquette, ordnance and gunnery, seamanship and basic shipboard routine and sentry duty. It also includes physical fitness, swimming and survival, first aid and military drill.

During the training period recruits receive tests and interviews which determine their future assignments in the Navy. Upon graduating they report to service schools for technical instruction or to ships or shore stations for on-the-job training.

D. E. DeBardleben
On Attack Carrier

Daniel E. DeBardleben, interior communications electrician apprentice, USN, son of Mr. and Mrs. E. G. DeBardleben of 1071 Rio Vista dr., Pacifica, recently reported for duty aboard the Pacific Fleet attack carrier USS Oriskany which is presently operating with the First Fleet off the coast of California.

The Oriskany's current mission is primarily that of qualifying pilots in preparation for Seventh Fleet deployment in the Far East this fall. She has been extensively modernized and handles the Navy's most modern jet aircraft. Her equipment includes the Naval Tactical Data System, Omega Navigational System and a Fresnel Lens Landing System.

This newest of the Essex-class carriers normally operates out of San Diego, Calif.

No Bonds, No Roads

The voters had their say and the proposed county road bonds have gone down to defeat.

The obvious meaning of the strong "No" vote is that the people of San Mateo County are not willing to bond themselves to get money now for a strong road program.

The result may well be that San Mateo County will lose in the long run as it is slowly choked to death by ever-increasing automobile traffic.

Only the future can determine the wisdom of the voters.

It is unfortunate that such an important issue should have been treated so lightly by the voters. However, special elections usually bring a light vote, and the "no" vote is often strong at these elections.

No doubt a better result for the bond committee would have come if the issue were voted upon at a general election.

We feel that the county road problem is so vital that it should be brought before the general public again soon.

Music Hath Charms

Ever thought of having a concert for a bunch of fish? No? Well how far behind the times can you get?

According to This Week magazine, James W. Fitzgerald, one of the world's foremost marine-acoustics physicists, has. Knowing that fish make sounds, he and some fellow scientists decided to find out how they reacted to music. Three skin divers took underwater hi fi equipment down among some Bahaman reefs. There they played everything from Elvis Presley singing "Hound Dog" to a Cannonball Adderly jazz sax solo, and got nothing but stark confusion from the piscatorial audience. Only Mitch Miller's version of "Wedding Bells Are Breaking Up That Old Gang of Mine" got the old fish gang contentedly together again.

Which suggests a comment on a phrase from another old song, "Fish gotta swim..." O.K. But to rock 'n roll?

Opinion Poll

Congressman J. Arthur Younger has announced the results of the public opinion poll which he took recently by direct mail to 15,000 readers of his monthly newsletter.

The results of the poll are as follows:

The Sure Way To Prosperity

The View From ... Behind the Badge

Written and Edited by Daly City Police Department

The Question ...

Kristine, an eighth grade student at Our Lady of Perpetual Help School, asks this question: "What happens to juveniles after they are brought to the Police Station when they have been caught doing something wrong?"

Why and When ...

First of all, many juveniles, as well as adults, come to the Police Station for reasons other than being in trouble. They come to the Station for assistance and advice. They come to the Station to relate what they have witnessed concerning an accident, robbery, fight, or what have you.

Grammar school children often tour the entire City Hall in class groups—and the only thing wrong with this is with the Hall itself—they are viewing a Police facility that is long overdue for replacement. Now, to the question. A Policeman will observe a juvenile commit a misdemeanor. He will detain the youngster and speak with him (or her). He will investigate the situation so as to determine whether what he saw truly represented the situation that really existed.

If he is satisfied that he saw what happened as it happened, he then has to determine the seriousness of the offense. If the juvenile has done something more than a mere out-of-control shenanigan, and in so doing has actually violated a law or an ordinance, the officer has the option of reprimand or action.

In serious offenses, he does not have the option, but must take the juvenile into custody.

The officer has the option, for example, in curfew violations, in various of the congregating episodes, and the like. For robbery and burglary offenses, and the like, of course the officer will physically arrest the responsible juvenile.

At the Station ...

At the Station the investigation is continued. Necessary

biographical and descriptive data is elicited from the juvenile. The ubiquitous reports are prepared.

The officer, and possibly his Sergeant, speaks to the person involved. They may take a statement, where this is indicated. They always probe as to the whys and wherefores of the act, whatever it is. They are interested in knowing about causation, to use a kind of sociological word. They are more interested in the individual himself. Many a friend has been made by the officer in this manner. Although it is not the sole mission of the Police, many a kid has been "straightened out" in this manner.

Action Taken ...

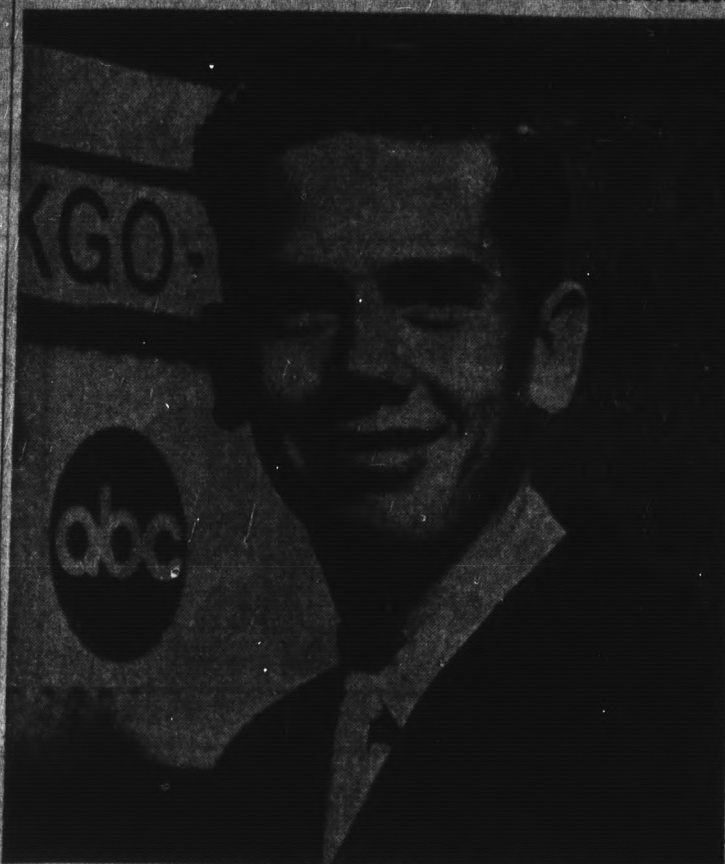

If it is the type of case where this is possible, the officers may decide to release the juvenile with a reprimand. This is occasionally done on a "man to man" basis, but almost always the parents are notified, even if no official action is going to be taken.

For a serious offense, for custodial risks, for some found runaways, the officers will transport the person to Hillcrest Juvenile Hall. There the juvenile is detained until more suitable action is determined upon by the probation people. They may eventually release their charge back to the parents, or they may keep him until his juvenile hearing date comes up. This always depends upon the type of individual in question and the type of offense it is with which he is charged.

On other occasions the officer will release the responsible juvenile to his parents, and a citation will accompany him. The citation is somewhat similar to a traffic citation. It formally advises the parent of the offense alleged. In these cases the Probation Department will later advise the parent by mail as to whether or not it will be necessary for him to attend a hearing. If it

Ken Klassen, Daly City

Truly an example of outstanding public service programming on television is KGO-TV's "Summer Jobs for Students," an intensive drive by the station to encourage employers to hire high school students during the coming summer vacation.

This week kicks off the third consecutive year for the campaign which during 1961 and 1962 resulted in a record 27,000 Bay Area students finding jobs.

Mayors of 23 Bay Area communities including Daly City Mayor Joseph Verducci have proclaimed June 8 to 15 "Summer Jobs For Students Week" in their cities.

All during this week KGO will feature spot announcements by local youth leaders pointing out to employers the benefits of hiring students.

Ken Klassen, 48 Cottonwood Drive, Daly City is one of the youth leaders who will be seen on the station throughout the week. He is a senior at Jefferson High School, a member of the student government council and has participated in athletics for four years.

In previous years KGO has made the announcements available to other Bay Area stations so the spots will probably be used throughout the summer months on other channels as well.

Concluding the special weeklong series to salute to

is necessary, the parent must attend with the child; this is true of all juvenile hearings.

Sometimes the officers will decide upon unofficial action. They will try this only once with a given juvenile. Such action consists of writing a report, admonishing the juvenile, and notifying the parents. They will then release the child to the parents, and will depend upon the discipline of that person to straighten out whatever the problem might be. This is often very effective, where the parent is not afraid of inducing "trauma" by means of a good spanking, or other positive restrictive disciplinary parental action.

Thank you for asking, Kristine. We hope this answers your question.

Something for Everyone

By Samuel Chandler

In 1975 you will wear disposable clothing of paper fiber; you'll live in a house with an ultrasonic appliance. Your freezer and refrigerator will be lowered out of the way by pushing a button. You will have special cabinets for storing atomic-radiated foods. You will cook your food in two minutes in a portable electronic range that might sit upon the dining table.

People who are trained with the technical skills that come from extended education and training will be happily and gainfully employed until they retire at fifty-five. But six million teen-agers and an army of semi-trained workers will find employment hard to obtain. Super markets will be equipped with sidewalks and aisles that move from display to display. Cars will move along highways that will control the speed and do the steering. Each student in school will be equipped with teaching machines that have been programmed by teachers. Libraries will be equipped with reading machines, curb surface windows, reference machines, photo copiers, films, slides, three-dimensional books and copies of TV programs.

All these predictions and many more may be found in a book entitled "1975 and changes to come," by Arnold B. Barach and the Kiplinger Washington editors. This is a serious book that projects the future by examining both present realities and statements of planners and research directors. Much of it reads like a newspaper account; the rest like a commentary of an on the spot reporter.

This is one of the books now issuing from the press about the future of America. Those that are available urge men to prepare for things to come, yet do not spread fear of those things. Authors of such books lead us to an intellectual plateau where we see the future clearly and exclaim with Wordsworth "We see by the glad light, and Breathe the sweet air of futurity!"

Air Pollution Talk At Local Lions Club

At its regular noon luncheon Wednesday of last week, the Daly City-Colma Lions Club was host to Hulan Brinkley, senior air pollution inspector of the Bay Area Air Pollution Control District.

A district representative spoke to the men's service organization on the topic of "Fresh Air — a Natural Resource."

Brinkley originally entered the administration division of the district in 1957. He joined the enforcement division in 1961 and is currently a senior air pollution inspector, directing operations in Marin, San Francisco and San Mateo counties.

The luncheon was held at Toto's Restaurant in Daly City.
